

# Site Superintendent Cover Letter

54126 Chance Gateway Lake Neely, SD 09125

**Dear Brooklyn Collier,**

I would like to submit my application for the site superintendent opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for input and assists in the implementation of material handling and excess government property disposition management systems.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- NICET audio, NICET video security or CSA beneficial
- HAZWOPER training
- Experience and familiarity with environmental remediation construction for former Manufactured Gas Plant sites completed using Illinois Environmental Protection Agency TACO and Site Remediation Programs and the rules and regulations that apply
- Oversight with earth retention systems, excavation plans, specifications and equipment
- Lead, coach and mentor team members to ensure delivery against performance targets
- Execute safe systems for work for IS work, utilizing existing work management processes
- Execute Service management operational processes to drive consistent service delivery for the entire scope of IS accountabilities
- Manage the deployed IS technologies and IS services for business use to meet or exceed SLAs

**Thank you for your time and consideration.**

Sincerely,
