

Site Superintendent Cover Letter

1099 Jacque Extensions Lake Bradfordsburgh, UT 81122-6265

Dear Bellamy West,

I submit this application to express my sincere interest in the site superintendent position.

Previously, I was responsible for input to, coordinates and implements construction schedules, manning charts, and material and equipment requirements.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Hands-on" knowledge and experience with light construction from foundation to finish plumbing, electrical, and mechanical knowledge is helpful
- Familiarity with the Uniform Building Code
- Commitment to the HEBSV mission to build low-cost housing
- Civil / Hazardous Site Remediation project experience
- Proficiency in the use of computer to prepare reports using programs such as Word, Excel and other construction related programs
- VAV Boxes
- Pumps (misc)
- Ductwork Repairs

I really appreciate you taking the time to review my application for the position of site superintendent.

Sincerely,

Phoenix Jerde
