

# SMT Machine Operator Cover Letter

4764 Zulauf PrairieHermanshire, OR 33957

**Dear Jordan Swaniawski,**

I am excited to be applying for the position of SMT machine operator. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for solutions to streamline space-grade circuit board assembly and test processes which may include flying probe, AOI, and functional testing, Reflow soldering, Selective soldering, and Conformal coating.

My experience is an excellent fit for the list of requirements in this job:

- Previous experience in a manufacturing environment utilizing automated techniques to install Surface Mount Technology (SMT) and Through-hole Technology (THT) components
- Previous knowledge/use of IPC-A-610, Acceptance of Electronic Assemblies, workmanship standards
- SMT Machine Rework
- Understanding of polarity, orientation and IPC 610 standards
- Ensure quality meets or exceeds company workmanship standards and improve efficiency
- Encapsulation Machine Operator
- Capable of completing assignments with minimum guidance
- Dependable and efficient

**Thank you for your time and consideration.**

Sincerely,

Jordan Orn
