

SMT Machine Operator Cover Letter

7727 Patricia Spurs Port Joseph, RI 97056-4984

Dear Justice Wuckert,

Please consider me for the SMT machine operator opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for programming needs and technical supports for SMT placement (Fuji Flexa/NXT) & Reflow soldering equipment's to achieve a stable process;

My experience is an excellent fit for the list of requirements in this job:

- Specific experience on material preparation and touch-up techniques would be an asset
- MYDATA Automation, SPC knowledge, understanding of complex components such as BGA's and P.O.P's and repair experience an asset
- Aptitude in equipment maintenance is require
- Eligible to meet Controlled Goods and Canadian Security Clearance requirements
- Basic soldering (Identify & correctly insert parts)
- Able to understand and receive work instructions from line lead
- Perform hourly SPC inspections, where applicable, also includes start-up and changeovers
- Interpret assembly instructions, Bill of Materials, and Engineering Change Orders

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Armani Mertz
