

# SMT Machine Operator Cover Letter

6429 Rochell Crossing  
Rohanbury, OK 74581

**Dear Lennox Keebler,**

I submit this application to express my sincere interest in the SMT machine operator position.

Previously, I was responsible for supervision and oversight to ensure all components are completed according to blueprint requirements and delivered to the customer in a timely manner.

Please consider my qualifications and experience:

- SMT Machine Operator
- Stencil Machine
- Pick-and-place machine
- Conformal Coating
- Familiarity with SMT component types and orientation marks
- Good understanding of automated SMT machine operation (Screen Printer, SPI, P & P, AOI and Reflow)
- Exposure to all aspect of SMT manufacture
- Troubleshooting skills an asset

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Dakota Weissnat
