

# SMT Machine Operator Cover Letter

28450 Blair Fords West George, CA 86940-0975

**Dear Brooklyn Abernathy,**

I would like to submit my application for the SMT machine operator opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for technical support in the scheduling of the MS department and Manufacturing Engineering for the solutions to problems in the production lines.

My experience is an excellent fit for the list of requirements in this job:

- Sitting and standing for the duration of the shift
- Analyze printing non-conformances and initiate proper corrective actions
- Detect malfunctions related to products and production tools and initiate corrective actions
- Apply quality, health, safety and environmental procedures and policies and participate in the various activities that flow from them
- Apply, inspect and remove tape and masking material from circuit boards
- Perform rework and bonding for assemblies
- Read and follow electronic work instruction and assembly drawings
- Operate SMT machinery including stencil printing and component changes

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Tyler Bogisich
