SOA Developer Cover Letter

8090 Larhonda RidgesSouth Nubialand, NE 15892-9917

Dear Blake Skiles,

I would like to submit my application for the SOA developer opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for technical contribution to complex technical activities like advanced product configuration & customization, high availability configuration and test.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience of working with development partners, ideally with off-shore services
- Experience in mentoring team members in technical skills
- OSB developer
- Oracle ADF and J2EE Development Experience
- Oracle 12c Fusion Middleware
- Staff Augmentation coordination experience
- Experience with using Oracle Data Integrator (ODI)
- Extensive knowledge of data modeling, relational databases, and customer-centric information systems

Thank you for considering me to become a member of your team.

Sincerely,

Drew Koelpin
