

Software Engineer Internship Cover Letter

7336 Marine JunctionsLake Pasqualeland, LA 41145-3974

Dear Phoenix Mitchell,

I would like to submit my application for the software engineer internship opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for extensive knowledge and expertise with Python coding language.

Please consider my experience and qualifications for this position:

- Public cloud usage (AWS, Azure, GCE)
- Cloud infrastructure understanding
- Demonstration of individual or group project management
- Experience developing WPF applications
- Understanding of computers and software applications in general
- Experience in build tools, testing frameworks, docker
- Programming languages, modeling, C++ and Java knowledge preferred
- Useful but not essential experience would be in software development, simulation and modelling, synthetic environments, defense or a have a military background

Thank you for your time and consideration.

Sincerely,

Haven Hauck
