

# Software Engineer Internship Cover Letter

168 Carline WellsLake Janie, RI 38600

**Dear Campbell Paucek,**

I submit this application to express my sincere interest in the software engineer internship position.

In the previous role, I was responsible for unix and Linux cross training opportunities for colleagues within the Inventory Management Team.

Please consider my qualifications and experience:

- Prior internship or experience in applicable software development environment preferred
- Programming experience in languages such as Java, JavaScript, Ruby, Go, HTML5 preferred
- Strong interest in machine learning and natural language processing
- Team player and interest in the travel industry
- Eager and passionate about developing software
- Always looking for a new technical challenge and solution
- Available from September till February
- Continuous integration, code coverage

**Thank you for taking your time to review my application.**

Sincerely,

Ari Boyer
