

Sound Technician Cover Letter

68758 Carmelo PortsEast Jackiemouth, AR 38954

Dear Onyx Jaskolski,

Please consider me for the sound technician opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for oversight of the development, upgrade, and repair of audio systems at our locations.

Please consider my qualifications and experience:

- Work with safety as a priority and follow department and company safety standards
- Maintain the S&V workspace and tool carts
- Knowledge of various data control protocols Crestron, RS232, TCPIP, and Bacnet
- Knowledge of networked video and audio transmission standards HDBaseT, streaming JPG, H.264, SVSI, Dante, AVB, Blu-Link, Audio Architect, and Q-SYS
- Experience with large satellite distribution and MATV feeds
- Knowledge of single-mode and multi-mode fiber distribution and installation
- Willing to practice and conform to safe working procedures
- Knowledgeable of technical troubleshooting skills

Thank you for considering me to become a member of your team.

Sincerely,

Gray Willms
