

Special Project Manager Cover Letter

398 Neoma RiverPort Jameymouth, TN 36865

Dear Max Schulist,

I am excited to be applying for the position of special project manager. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for project control through execution of the project implementation and completion plan, and through support of project management systems, including computerized project management where available.

My experience is an excellent fit for the list of requirements in this job:

- Strong EE Fundamental
- Demonstrable experience managing projects throughout a full lifecycle (from Inception Deployment and Maintenance)
- Self-starter with results oriented, proactive management approach that focuses on getting the job done right
- Security, Quality and Safety First mindset
- Working knowledge of applicable federal, state, local laws, or ordinances
- Proven success proactively identifying upcoming risks, issues, and bottlenecks
- Hands-on experience in a technical role
- Successful application of Agile development practices

Thank you for your time and consideration.

Sincerely,

Finley Cronin
