

# Specialty Manager Cover Letter

875 Stanton Springs East Geraldberg, FL 84076

**Dear Quinn Heaney,**

I submit this application to express my sincere interest in the specialty manager position.

Previously, I was responsible for the necessary feedback for sales products, solutions, uses cases, competitive intel and market data necessary to ensure certification of product/ solution knowledge.

Please consider my qualifications and experience:

- Self-motivated, determined, and creative
- Knowledge or experience with derivatives and/or capital markets
- Demonstrated drive, determination and substantial professional banking experience
- Strong presentation skills to audiences of any size
- Formal lending or commercial credit training is preferred
- Strong understanding of the Excess and Surplus markets
- Understanding of the Government organizational hierarchy
- Expertise in obligations and expenditures forecasts and budget and financial analysis for classified programs

**Thank you for considering me to become a member of your team.**

Sincerely,

River Gulgowski
