

Specialty Manager Cover Letter

8041 Becker TrailPort Germanton, CT 13244

Dear Rory Parker,

Please consider me for the specialty manager opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for the necessary guidance and feedback for sales products, solutions, uses cases, competitive intel and market data necessary to ensure certification of product/ solution knowledge.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Create a and execute on strategy for growth at different customers
- Coordinate with different parts of the organization to bring a project from start to close
- Report project updates and customer call reports
- Understanding of brand, disease areas, and competitors, specifically within Cardiology
- Comprehensive computer skills including
- Progressive accounting experience in a mid to large sized location
- Experience people management and performance management to include goal setting and monitoring on execution
- Intermediate Excel (v-lookup, pivot tables)

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Story Boehm
