

SQL Developer Cover Letter

975 Connelly PointLake Stevie, ID 83930-8683

Dear Emerson Beahan,

I am excited to be applying for the position of SQL developer. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for assistance in MS SQL server support .

Please consider my experience and qualifications for this position:

- Requires exceptional oral, written and interpersonal skills especially when working with customers
- O-understand storage and SQL databases
- O-interact with engineers to help with data input and output
- O-create the GUI applications to run SQL queries and visualize results
- O-run regression testing, create dashboards, analyze data
- O-analyze, learn, and utilize rapidly changing technologies
- O-set and meet tight deadlines and function well under pressure
- O-be a champion for quality/maintainable coding standards

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Tyler Effertz
