

SQL Developer Cover Letter

3081 Wiegand Village Alanhaven, GA 00637-9964

Dear Ryan Olson,

I am excited to be applying for the position of SQL developer. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for basic SQL Server Administration support as needed on the project.

My experience is an excellent fit for the list of requirements in this job:

- Cube development and MDX development in Microsoft Analysis Services
- Primary experience with Microsoft products such as SQL, SSRS and SSIS
- Experience with ETL and other data movement strategies
- Microsoft Database Certification
- Experience with ETL tools (MS SSIS, Informatica)
- Good understanding in database performance counters/measurements will be added advantage
- Experience in DW environments
- Relational DB experience, Oracle or MSFT preferred

Thank you for considering me to become a member of your team.

Sincerely,

Armani Larkin
