

SQL Programmer Cover Letter

856 Dillon LightsNorth Rosena, NE 88887-4060

Dear Morgan Hagenes,

In response to your job posting for SQL programmer, I am including this letter and my resume for your review.

Previously, I was responsible for consultation to business units and IT management and staff as a MDQO database SME in support of SQL application programming and processes to support database development.

Please consider my qualifications and experience:

- Blue Cube programming and reporting
- Strong understanding of SSRS & Crystal Report development and maintenance
- Experience with Landmark configuration tools and utilities
- Working knowledge of Infor's GHR business classes
- Maintain all VB.NET interface applications with Infor Lawson
- Experience with LBI administration & IFS
- Possess working experience & knowledge of Java
- Post-secondary education in Computer Science or related technical field

Thank you for your time and consideration.

Sincerely,

Skyler Medhurst
