Please consider my experience and qualifications for this position:

- Recent graduate or professional with experience
- Able to understand and write VBScript code (or able to use web to create working code)
- Knowledge of SQL and can write sample SQL statements
- Experience with windows server OS configuration and troubleshooting such as Registry, Logs, IIS, File System
- Knowledge of web server basics such as Apache config, Certificates, SSL, Tomcat
- Knowledge of Hyperion, EPM (Enterprise Performance Management) Admin
- Advanced programming knowledge in Java and or C#
- Need demonstrated relevant experience with Enterprise SAP productions and logistics modules used by DoD

Thank you for your time and consideration.

Sincerely,

Parker West
