Staff Network Cover Letter

8685 Whitney StationWest Wilfredmouth, TN 89819-6442

Dear Charlie Grant,

I would like to submit my application for the staff network opening. Please accept this letter and the attached resume.

Previously, I was responsible for administration support of Cisco IP Telephony/IP Contact Center applications.

Please consider my qualifications and experience:

- Advanced process orientation and exhibited
- On and off premise DDOS solutions
- Extensive experience with Cisco's enterprise product lines (switches, routers, security products)
- Deep knowledge of STP, 802.1q, LACP, vPC
- OS fundamentals, computer architecture, multi-threading concepts, SW engineering processes, advanced data structures
- Working knowledge on Linux OS
- Certifications (VCP, CCNA, Red Hat, A+, Network+
- Proficient with two of Checkpoint Firewall-1, Palo Alto firewall technologies

I really appreciate you taking the time to review my application for the position of staff network.

Sincerely,

Briar Cummings
