

Starbucks Manager Cover Letter

16323 Bennett Bridge West Bover, IL 16224-7605

Dear Brooklyn Trantow,

In response to your job posting for Starbucks manager, I am including this letter and my resume for your review.

In the previous role, I was responsible for quality beverages consistently for all customers - Prepare Starbucks beverages to standards and follow health, safety and sanitation guidelines for all products.

Please consider my qualifications and experience:

- Fluency with web and mobile developed applications and platforms
- Knowledge of application security, data privacy, and fraud protection
- Strong investigation and root cause analysis skills
- Expertise with version control and code migration products and tools
- ITIL experience with standards for Release Management practices and service transitions
- ITSM experience with incident, problem, and change processes and tools
- Proficiency supporting build and deployment tools
- Knowledge of Microsoft Office programs is essential in this role

Thank you for taking your time to review my application.

Sincerely,

Dakota Buckridge
