Dear Sutton McCullough,

I am excited to be applying for the position of starbucks manager. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for beverage service (tea, coffee, water) for guests and staff.

Please consider my qualifications and experience:

- Knowledgeable of hardening philosophies, security, continuous integration and continuous deployment, automation
- Demonstrated experience and skill to assess staff capabilities and workloads and redistribute when necessary
- Experience working on enterprise-class payment and/or digital gift card products or programs
- Deep understanding of the system architecture and design concepts behind complex, enterprise-class software solutions at high transaction volumes
- Builds trust rapidly among peers and stakeholders
- Manages and trains assemblers and porters in executing their duties
- Manages maintenance, repair and upkeep of the kitchen, its equipment, and other areas as appropriate
- With guidance from QA, manages and maintains cleanliness of the facility

Thank you for taking your time to review my application.

Sincerely,

Denver Kreiger
