

Starbucks Manager Cover Letter

5907 Kutch CrestSheldonport, NE 20992

Dear Royal Huels,

I am excited to be applying for the position of starbucks manager. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for direction, insight and counsel to managers and associates on a variety of issues (harassment and discrimination, misconduct, workplace violence, sub-standard performance, performance improvement documentation, etc.) utilizing knowledge of Pier 1 Imports Vision/Values, policies and procedures and the basic parameters of employment laws and liabilities.

Please consider my qualifications and experience:

- Visionary and, a comfortable and capable leader
- Grows, nurtures and manages teams
- Create and maintain excellent relationships
- Results oriented, bias towards action and can drive cross-functional projects forward
- Good communicator / self-driven
- Experience working with real-time distributed systems and architectures
- Experience with Cloud hosting technology stacks and service delivery models, including Microsoft Azure and Amazon Web Services
- Experience with relational and non-relational, including NoSQL databases, Solr and/or Amazon Elasticsearch, parallel processing (MPP) data warehouse architectures, Amazon S3 and/or Azure Data Lake

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Denver Miller
