

Stock Controller Cover Letter

2042 Elaina PassEast Floyd, FL 42468-5664

Dear Sutton Veum,

I am excited to be applying for the position of stock controller. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for support to the Aberdeen site warehouse function and the broader UK&I sites, to assist coverage for absences or workload, working remotely across Emerson business systems;.

My experience is an excellent fit for the list of requirements in this job:

- Actively involved in Health and Safety
- FTE for Site Manager
- Influences others to adhere to agreed processes and procedures
- Able to work under pressure, individually and as part of the team
- Fluency & sophistication in local language
- Receiving stock and recording on SAP system
- Operating a fork lift truck
- Computer literate, detailed and meticulous

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Tyler Ziemann
