

Store Support Cover Letter

480 Alesha Station Mylesberg, VA 70744

Dear Greer Haag,

In response to your job posting for store support, I am including this letter and my resume for your review.

In my previous role, I was responsible for assistance in planning, operations, personnel management and maintenance policies and procedures.

Please consider my experience and qualifications for this position:

- Excellent in planning
- Excellent interpersonal skills and great communicator
- To understand, articulate and deliver the Food Group strategy and bring our vision to life by accurately applying the principles in store level actions
- Co-ordinate and verify all retail feedback through utilisation of data analytics to ensure clarity of communication from Retail into head office allowing for agile responses and maximum value add
- Collate and action feedback from store teams - feeding consistent themes into the planning functions
- Managing digital feedback from stores and customers including 'Yammer', with actionable feedback & information fed into the planning functions
- Set parameters for action & Service Level Agreement's on response time
- Management of 'Known Gaps' on via the system

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Lennox Boehm
