

Strategy Consulting Cover Letter

80858 Frami EstateReinaldobury, MD 59888-7592

Dear Drew Hansen,

In response to your job posting for strategy consulting, I am including this letter and my resume for your review.

In the previous role, I was responsible for service delivery excellence by learning and understanding key client business issues and supplementing proven techniques and tools with innovative approaches.

Please consider my qualifications and experience:

- Experience in a leading management consulting firm, strategy consulting experience preferred and life science consulting experience preferred
- Robust research skills with strong analytical and problem-solving skills
- Extensive pharmaceutical/medical device related experience
- Experience working in an independent office environment, and in a complex multi-process oriented environment in general preferred
- Knowledge of the CRO industry
- Good people management, project management, problem-solving, and decision-making skills
- Leading strategic project definition, idea generation, and insight development
- Managing engagements with external consultants

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Armani Schulist
