

# Strategy Intern Cover Letter

31942 Garry Island Darrenton, SC 16823-2401

**Dear Landry Bergnaum,**

Please consider me for the strategy intern opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for digital and social media expertise to internal teams and clients, recommending best practices and contributing directly to the execution of client campaigns and programmes.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Knowledge of Tableau and Access would be an additional advantage
- Knowledge of heavy duty trucks and powertrain systems preferred
- Knowledge of market research and data mining/analysis preferred
- Some experience with presentations and meeting facilitation preferred
- Strong detail orientation necessary
- Approaches all tasks with an open mind
- Pursuing a minimum of a Masters in Business, Business Analytics, Data Science or an applicable field of study
- Strong strategic and analytical orientation coupled with exceptional communication skills

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Ari Roberts
