

Strategy Intern Cover Letter

9243 Glen PassCollinview, NE 30058-9548

Dear Dallas Fahey,

I am excited to be applying for the position of strategy intern. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for regular reports on acquired media placements, social engagement, website traffic, and social media.

Please consider my experience and qualifications for this position:

- Fluent in English, knowledge of German is very much appreciated
- Practical experience in Business Development, Consulting, Operations and/or Sales within previous internships
- Excellent analytical skills and structured thinking
- Comfortable working in ambiguous environments and able to push through as a solutions-oriented, determined self-starter
- Knowledge of general business and marketing concepts
- Gather data, analyse the findings, make presentations, and work with stakeholders to implement recommendations
- Take ownership and responsibility for assigned work streams related to the development, design and implementation of business strategies, functional capabilities and enhanced business performance
- Analyze statistical and market data, perform analysis and develop clear insights that can implemented to improve the strategic direction of the firm

Thank you for your time and consideration.

Sincerely,

Phoenix Rogahn
