

# Strategy Internship Cover Letter

903 Dibbert Station Lake Robert, WY 11652-5233

**Dear Briar Krajcik,**

I would like to submit my application for the strategy internship opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for leadership and guidance to ITS project delivery teams who adapt emerging technologies for production applications to ensure rapid delivery cycles and high availability architectures.

Please consider my experience and qualifications for this position:

- Quantitative and problem solving skills combined with a strategic mindset
- Background in Marketing, Strategy, Entrepreneurship or other related computer science/engineering, Business, MIS, Design or other related fields focused on innovation
- Previous internship / project / other professional experience would be strong an asset
- Analyzing data and digital analytics to obtain insights and make recommendations
- Performing consumer research for briefs and projects
- Providing presentation support and development
- Assisting with trend-casting
- Collaborating with interagency teams

**Thank you for taking your time to review my application.**

Sincerely,

Casey Mante
