

# Strategy Internship Cover Letter

5766 Morissette Junctions Charisbury, WV 94384

**Dear Robin Adams,**

I am excited to be applying for the position of strategy internship. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for input in enterprise data strategy, identify technical solutions and capability gaps and provide data management industry insight and guidance.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Assisting with POV development support
- Cataloging case studies
- Participating in team meetings and work sessions
- Assisting in the creation of process flow diagrams
- Current Senior in college majoring in business, marketing, communications, advertising, public relations, analytics or related field
- Experience with aerospace, automotive, cloud computing, defense, hardware / software / networks, industrial, manufacturing, medical, and renewable energy / clean-tech
- Current junior or senior in college majoring in business, marketing, communications, advertising, public relations, analytics or related field
- Develop innovative, profitable, customer-centric business growth strategies across multiple global markets

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Sawyer Monahan
