

# Strategy Internship Cover Letter

8894 Emerson VilleWest Tressaland, WV 10649

**Dear Justice Feest,**

I submit this application to express my sincere interest in the strategy internship position.

In the previous role, I was responsible for bold thinking and ideas that challenge the status quo to advance the enterprise by improving current performance in existing products/segments and by expanding the enterprise beyond its current operations.

My experience is an excellent fit for the list of requirements in this job:

- Developing strong organizational/planning and time management skills
- Enthusiastic, eager to learn, and motivated to spend time troubleshooting and problem solving
- Conscientious, mature, and thinks out of the box
- Knowledge of GIS is an asset
- At the undergraduate level there is no one right major
- Proficiency in using PowerPoint, and Excel
- Quickly grasp and effectively communicate new or difficult concepts
- Be a collaborative worker with a strong independent drive

**Thank you for taking your time to review my application.**

Sincerely,

Charlie Hayes
