

# Strategy Internship Cover Letter

91317 Gail ViewsAlechaven, IA 27989-7556

**Dear Bellamy Green,**

I am excited to be applying for the position of strategy internship. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for assistance in carrying out research and in developing and facilitating knowledge products (brochures, case studies, thematic reports);.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Create enhanced value for customers and distribution partners through business model optimization and innovation
- Conduct robust external market analysis across the technology-commerce-marketing spectrum to determine best-in-class benchmarks and identify opportunities to power future growth
- Strong customer focus and superior project management skills
- Some work experience in sales operations or equivalent function with relevant exposure to sales teams, OR experience in management consulting with strong exposure to B2B go-to-market strategy
- Excellent proficiency with Microsoft tools (PowerPoint, Excel, Word)
- Familiarity with Lambda Architecture
- Data Science focusing on integrations, machine learning, tools, model development and testing
- Strong planning skills and goal oriented

**Thank you for taking your time to review my application.**

Sincerely,

Tatum Runolfsdottir
