

Strategy Manager / Product Manager Cover Letter

369 Latonia Point Samstad, LA 93247

Dear Casey Mohr,

I am excited to be applying for the position of strategy manager / product manager. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for technical leadership to the design, development/implementation, and testing of business solutions, often custom developed and integrating new technologies.

My experience is an excellent fit for the list of requirements in this job:

- Technical background that includes driving and managing Enterprise applications
- Previous experience driving products through dedicated channels, with strong working knowledge of pipeline management and reporting techniques
- Be able to take initiative with strong project management experience
- Flair for Innovation - We are looking for next generation ideas
- Partner with the product management, engineering, and senior centralized finance teams
- Influence product road map and work with product teams to ensure business needs are defined and met
- Experience with managed care products
- Experience with Medical Education and Medical Practice markets highly preferred

Thank you for your time and consideration.

Sincerely,

Armani Kling
