

Strategy Manager Cover Letter

653 Steuber Divide East Antonio, KY 08009-6278

Dear Tyler Hansen,

Please consider me for the strategy manager opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for packaging expertise to our global sites for products being transferred or supplied out of the North American sites.

Please consider my experience and qualifications for this position:

- Act as the representative of the Reinsurance Strategy team in Asia, ensuring good coordination and communication between the Reinsurance Strategy team and the Regional strategy team
- Contribute to the enhancement and maintenance of competitor intelligence through analysis of companies, market trends and business activities in the region
- Prepare presentations and analysis for internal Reinsurance management meetings and external communication
- Support the Regional strategy team, including project management of local initiatives where relevant to our Global strategy
- Support and contribution to various projects and ad-hoc analysis
- Creative thinking experience with new business models and product development
- Knowledge of customer and competitor research gathering from primary and secondary sources
- Experience with data-driven analytics and culling relevant insights

Thank you for considering me to become a member of your team.

Sincerely,

Avery Schaefer
