

Strategy & Operations Manager Cover Letter

317 Alan PassSchummstad, NY 47306-0861

Dear Rowan Bayer,

I am excited to be applying for the position of strategy & operations manager. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for expertise and support in the areas of Sales Development, Tools & Process, Training, Programs & (Digital) Marketing.

My experience is an excellent fit for the list of requirements in this job:

- Experience with lead management process creation, delivery, and monitoring
- Proficiency in project management methodologies (Agile, LEAN, Waterfall)
- A big-picture thinker, yet pragmatic who is willing to roll up his/her sleeves to get the job done
- Has fun
- Passion and resourcefulness to solve ambiguous, undefined problems
- Retail/strategy consulting or corporate development
- Adept at statistics and data modeling
- Experienced in driving operational transformation/change projects across different groups like HR, IT, Finance, business units (cross-functional projects)

Thank you for considering me to become a member of your team.

Sincerely,

River Ferry
