

Strategy & Operations Manager Cover Letter

3063 Brekke Parkways Latiahaven, OK 92113-2056

Dear Blake Oberbrunner,

I would like to submit my application for the strategy & operations manager opening. Please accept this letter and the attached resume.

Previously, I was responsible for leadership across all parts of the business and manage teams responsible for day-to-day business operations including sales, account management, content creation, product development, marketing, and business development.

Please consider my experience and qualifications for this position:

- Strategic supply planning
- Mid to long term planning - formulate a plan for upcoming events, holidays and festivals that result in atypical demand patterns in order to maintain consistent and efficient operations for the duration
- Conduct regular service delivery standard assessments to ensure only the highest quality delivery riders work with our partner restaurants and customers
- Solve logistical problems in diverse markets
- Develop and implement best practice procedures in a fast changing, dynamic and competitive environment
- Internal liaison
- Work closely with commercial elements of the business to ensure targets are aligned and work on cross departmental projects
- Problem Solver -effectively uses data as a tool for decisions, innovates and challenges the status quo in a creative way

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Ryan Harvey
