

Strategy & Program Manager Cover Letter

557 Lovella Crossing Mitchellhaven, KY 94123

Dear Lennox Kerluke,

I submit this application to express my sincere interest in the strategy & program manager position.

Previously, I was responsible for financial leadership for Trek's Global Retail business; Lead retail finance team and partner with business leaders to drive business performance and assume full P&L responsibility.

Please consider my qualifications and experience:

- Experience with stage gate process for project management
- Broad knowledge of hydraulics business
- Extensive knowledge of insurance, both department and corporate objectives
- Excellent collaboration skills and facilitation skills
- Proficient in use of spreadsheet, documentation and presentation applications
- Demonstrated experience in design, implementation and monitoring of workflow in a complex environment
- Understanding of departmental and corporate reporting necessary to meet regulatory and audit requirements
- Development and execution of change management programs and change controls

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Sam Daniel
