

Strategy & Program Manager Cover Letter

3575 Leoma MillsNew Emogene, ND 99383

Dear Denver Funk,

Please consider me for the strategy & program manager opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for financial support and analysis for Sterilmed business strategies, NPI reviews, Sales and P&L forecasts/results, Project Initiatives, etc.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience with project management on a global level, across all levels of management
- Managing diverse work groups and people toward a common goal without direct authority
- Strong knowledge of relevant industry practice, trends within the industry
- Experience within a sales and/or customer service environment preferred
- Experience working with an independent agent or direct sales channel preferred
- Demonstrated success in developing and implementing sales effectiveness strategies
- Gather and leverage data to make decisions and drive growth using analytics and testing methodologies
- Strong leadership and general business management skills are essential

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Sam Kessler
