

Strategy Project Manager Cover Letter

4808 Chi LakesEast Lindsay, CT 11791-9790

Dear Greer Schumm,

I am excited to be applying for the position of strategy project manager. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for leadership on product/solution selection process, including engagement with RFPs, and evaluating pricing and technology solution offerings.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience of employing a broad and diverse range of project management best practices disciplines, methodologies and tools
- A track record of business change experience, process re-engineering, etc, working on different types of projects, , front office, back office, risks, , successful delivery of projects, stakeholder management, and budget management
- Broad experience of the Financial Services and market exposure in private banking
- Experience in Strategic Project Management and practical experience in training plan design and delivery
- Experience of working in a global model with matrix management
- Excellent attention to detail and creative problem solving abilities
- Expert knowledge of various external market forces affecting transfer centers
- Experience in transfer center, outreach, EMS, and clinical operations

Thank you for taking your time to review my application.

Sincerely,

Ari Funk
