

Strategy Project Manager Cover Letter

529 McClure Loop Veniceland, NE 44077-5560

Dear Onyx Ledner,

I am excited to be applying for the position of strategy project manager. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for ongoing expertise & strategic thought leadership in all media (TV, Digital, Print, OOH, Mobile, In-store, Programmatic / Addressable, etc.) with particular emphasis on Digital expertise, media integration, and media mix analysis with sector and brand leaders.

My experience is an excellent fit for the list of requirements in this job:

- Proven record of leadership and project management
- Articulate, intelligent, and energetic
- Capable of translating and presenting technical concepts into practical business terms (and vice versa) for leaders both small and large group settings
- Experience in the Waste Collection and Disposal industry driving process and technology changes across a distributed operating environment
- Knowledge of collection vehicles and fleet maintenance best practices
- Experience with and proficiency in AssetWorks' Fleet Focus M5 (Compass) fleet management system
- Superb organizational skills and a proven track record of managing projects in a transparent and well-documented manner
- Proven experience in developing business requirements for customer-focused solutions delivered via digital properties

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Dylan Harris
