

Strategy Project Manager Cover Letter

821 Ferry Island New Florine, MD 28118

Dear Sawyer Weber,

Please consider me for the strategy project manager opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for hR solution design and implementation in line with overall business strategy, vision and corporate HR practices.

My experience is an excellent fit for the list of requirements in this job:

- Knowledge of multi-language and multi-locale content delivery web services and tools
- Familiarity with common Key Performance Indicators found in content management organizations
- Experience with large scale content, customer support and digital projects
- Expert-level project leadership for cross-functional initiatives, especially in content delivery and customer relationship management spaces
- In-depth knowledge and project application of Project Management for real estate/construction methodologies and full project life-cycle including documentation standards, risk, issue, assumption and dependency management along with change controls process
- Familiarity with process modeling and workshop facilitation
- Competent use of MS Office applications to include MS Project, Excel, Visio, PowerPoint and Word
- Proven track record of end to end deliver to time, cost and quality

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Zion Zulauf
