

# Studio Technician Cover Letter

78932 Cormier Plaza  
South Kristi, NE 98670

**Dear Max D'Amore,**

I am excited to be applying for the position of studio technician. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for camera, and audio/lighting production support as needed, and will work with outside production facilities.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience with digital manufacturing equipment
- Knowledgeable about equipment safety protocol
- Familiar with trade tools and power tools
- Interest in the news and entertainment industry
- Basic knowledge of lighting fixtures and rigging equipment
- Basic understanding of electrical systems and power distribution and familiarity with trade and power tools
- Work quickly and as part of a team under challenging production time constraints
- Able to work flexible schedules in a 24-hour, seven days a week news environment (days, nights, overnights, weekends & holidays)

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Dylan Langworth
