

Studio Technician Cover Letter

842 Herzog Trail South Robbiefort, CT 18678

Dear Gray Nicolas,

I am excited to be applying for the position of studio technician. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for technical assistance, and address safety concerns for students working in the Photography Lab and/or Lighting/Green Screen Studio.

Please consider my experience and qualifications for this position:

- Assists in transitioning studios from spring to summer then summer to fall programming
- Practical operational experience with all general hand and power tools used in carpentry
- Experience with trucks up to 24' and cargo vans
- Basic math skills, good reading and written language skills (English)
- Knowledge of operation and maintenance of sculpture and ceramics studio equipment
- Experience with Adobe Creative Suite and 3-D Printing Software
- Open to learning about automated production systems such as Ignite
- Advanced skill in operating print/paper equipment and tools

Thank you for taking your time to review my application.

Sincerely,

Brooklyn Mueller
