

Support Account Manager Cover Letter

994 Arlene Lane Stacyville, KY 78854

Dear Max Dickens,

I submit this application to express my sincere interest in the support account manager position.

Previously, I was responsible for technology operations functions and management oversight for the organization's standard hardware, software and voice/video/security/data network solutions.

My experience is an excellent fit for the list of requirements in this job:

- Fibre-Channel (SAN) design methodology
- Tape Libraries and VTL
- Enterprise applications (Exchange, Oracle, SAP, VMWare)
- Experience with B2B and B2C marketing and communication
- Strong track record of producing measurable results and building effective communication plans
- Knowledge of tracking and interpreting analytics
- Excellent written and oral communication skills in English is mandatory
- Fundamental understanding of ITSM in large organizations

Thank you for considering me to become a member of your team.

Sincerely,

Armani Schuppe
