

System Admin Cover Letter

812 Ta Underpass Lydatown, MT 76258

Dear Armani Morissette,

I am excited to be applying for the position of system admin. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for technical guidance in at least one major tool or technique used by AIRBUS DEFENCE & SPACE.

My experience is an excellent fit for the list of requirements in this job:

- Self starter and possess good problem solving skills
- Knowledge of Redhat and/or CentOS operating systems
- NetApp filer technology
- Netbackup backup and recovery experience
- Experience with service request and ticket systems
- Monitoring tools such as System Center Operations Manager
- Mid-Level knowledge of Active Directory
- More advanced Hardware troubleshooting

Thank you for taking your time to review my application.

Sincerely,

Tatum Franecki
