

System Administration Cover Letter

70859 Ferry Corners East Alejandrina, OR 10476

Dear Blake Moen,

Please consider me for the system administration opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for operational support for day to day activities involving deployment of Applications, Operating systems, Software Updates, Software Patches, etc.

Please consider my experience and qualifications for this position:

- Demonstrated experience with Enterprise Level SAN technologies and concepts (EMC, Compellent, XIV, etc)
- Thorough understanding of project and program management techniques and methods
- Strong and effective communicator/leader
- Oracle OIPA experience
- Experience maintaining automated general ledger systems and processes
- Experience with Insight Reporting software for JD Edwards EnterpriseOne and World
- System Administration Interests, Some Linux Knowledge, Interest in scripting
- Stuttgart, Germany

I really appreciate you taking the time to review my application for the position of system administration.

Sincerely,

Bellamy Hauck
