Dear Casey Conn,

I submit this application to express my sincere interest in the systems admin position.

In my previous role, I was responsible for support to users on a variety of system technologies including Microsoft Windows, Hypervisor, Cert/key management, AD/DNS/DHCP and Middleware.

Please consider my experience and qualifications for this position:

- Experience of supporting AIX environment
- Excellent knowledge of Latvian and good knowledge of English language
- Knowledge of Russian will be considered an advantage
- Knowledge of enterprise class storage arrays include RAID configuration, Fibre Channel zoning, and iSCSI implementation
- Be familiar with VmWare, vSphere and virtualized architectures
- Employ sound organizational and planning skills to ensure that Linux/Windows information processing systems provide DNS, SMTP, LDAP, Quest, Tomcat, Database and Apache services integrate with Windows NTFS file systems
- Solid background in MS Office tools suite
- Large memory SMP systems with many cores

Thank you for your time and consideration.

Sincerely,

Shae Green
