

# Systems Administration Cover Letter

4249 Nitzsche Streets Jacobsport, MS 85656

**Dear Spencer Morar,**

Please consider me for the systems administration opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for expertise on data processing, video and communications systems and has a working knowledge of administration tasks.

Please consider my qualifications and experience:

- RHEL Management Tools (Satellite, Clustering, .)
- Troubleshooting on any application issue
- Support the production to meet the goals on quality, yield, cost, utilization and cycle time
- SDSS factory production local application incident and request handle
- SPAS application request
- MES Travel card picture synchronization
- Understand SSH mechanisms
- Webserver configuration knowledge

**Thank you for considering me to become a member of your team.**

Sincerely,

Casey Christiansen
