

Team Coach Cover Letter

8592 Terry MissionSengermouth, HI 99807-8660

Dear Ryan Schaefer,

I would like to submit my application for the team coach opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for coaching and training to product owners, managers, testers and developers on the Agile/Lean product development processes.

Please consider my experience and qualifications for this position:

- Have advanced knowledge of the software development lifecycle and of several software development methodologies
- Knowledge of and Experience utilizing Agile within a project
- Spend time with the team / team leadership to understand their needs, problems, and wants
- Devise a strategy to help transform the team to Agile or enhance the team's performance
- Train the team on Agile concepts
- Help the team set up tooling to track their work
- Support the team as they go through their Agile transformation
- Help start up a successful Scaled Agile Framework (SAFe) Program

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Story Hermiston
