Dear Skyler Barton,

In response to your job posting for team lead-management, I am including this letter and my resume for your review.

In the previous role, I was responsible for feedback to partners in key processes, techniques and procedures, improving the department's ability to meet customer needs and provide a delightful technology experience for all VMware colleagues.

My experience is an excellent fit for the list of requirements in this job:

- Previous background in software development roles
- Effective Communication (be able to discuss verbally and written with different internal and external levels., technical and non-technical customers, peers, managers, support groups)
- Good interpersonal skills (Promotes team work and good work environment)
- Exposure to working with diverse or regional teams
- High level understanding of Customer and Sales Operations processes
- Sustaining Customer Satisfaction
- Comprehensive to thorough knowledge of Treasury Management products and services
- Well developed knowledge of TM implementation workflow processes and procedures

Thank you for your time and consideration.

Sincerely,

Baylor Halvorson
