

Team Lead-Management Cover Letter

7971 Johana Route North Vivienne, NJ 19457

Dear River Steuber,

Please consider me for the team lead-management opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for a depth and breadth of expertise in information and data architecture, management, governance, and best practices including the ability for the Contractor to reach back into their organization for specialized expertise to meet client evolving.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Assists in the coordination of Priority Incident Management activities across the company
- This role will also function as the team lead for other analysts in the Priority Incident Management role
- Familiar with system development methodologies including Agil
- Experience of managing a multi-location and multi-cultural order management team
- Demonstrated expert level knowledge of order management
- Strong & proven Management of Order handling or customer services teams including
- Commercial drive with an entrepreneurial mindset
- Fluent English and Dutch language

Thank you for considering me to become a member of your team.

Sincerely,

Zion Treutel
