

# Team Services Cover Letter

73135 Walker ShoresNorth Nobuko, OK 34175-5670

**Dear Tatum Pfannerstill,**

I am excited to be applying for the position of team services. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for significant coordination with database administrators, developers, and infrastructure support groups for operating system upgrades, software upgrades, migrations, and hardware replacements.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Ensure that solutions and deliverables meet customer requirements
- Proven track record of developing teams to achieve challenging targets
- Proven knowledge of Global Custody
- Experience in a client facing function
- Experience of managing a team of 5-10 members
- Understand the relevant procedures and processes for the relevant Businesses, the internal GBS Europe processes
- Coordinate operational governance with the stakeholders (Service Delivery Managers) on a weekly / monthly basis
- Relevant SAP HR knowledge

**Thank you for taking your time to review my application.**

Sincerely,

Finley Stoltenberg
